Feature begins approximately 5 to 10 minutes after the advertised screening time. Doors open approximately 30 mins before the day's first session.

YOU, ME & TUSCANY (PG) 100 Mins *Comedy*

Anna impulsively jets off to Tuscany, Italy, to stay at a stranger's villa without permission. Caught inside the house by the man's mother, she convinces the woman that she's his fiancée. That little lie soon becomes a big problem when Anna develops a growing attraction to the stranger's handsome cousin.

ALPHABET LANE (M) 80 Mins *Thriller, Comedy*

An isolated couple lose control of a joke about imaginary friends. This darkly funny thriller follows Anna (Tilda Cobham-Hervey) and Jack (Nicholas Denton), a young couple who have recently moved to the country. With the reality of their new situation failing to live up to their expectations, as a joke they invent imaginary neighbours to cope with their growing loneliness. As letters begin to arrive from their new friends, what started out as a joke soon comes to take over their entire relationship.

MICHAEL (PG) 130 Mins *Biography*

The film tells the story of Michael Jackson's life beyond the music, tracing his journey from the discovery of his extraordinary talent as the lead of the Jackson Five, to the visionary artist whose creative ambition fuelled a relentless pursuit to become the biggest entertainer in the world. Highlighting both his life off-stage and some of the most iconic performances from his early solo career, the film gives audiences a front-row seat to Michael Jackson as never before.

HOPPERS (PG) 115 Mins *Comedy, Adventure, Animation*

An animal lover seeks an opportunity to use technology that places her consciousness into a robotic beaver, uncovering mysteries within the animal world that are beyond anything she could've imagined.

SUPER MARIO GALAXY MOVIE (PG) 100 Mins *Action*

An animated film based on the world of Super Mario Bros., and follows The Super Mario Bros. Movie, which was released in 2023. Mario ventures into space, exploring cosmic worlds and tackling galactic challenges far from the familiar Mushroom Kingdom.

THE MAGIC FARAWAY TREE (G) 110 Mins *Adventure*

Based on Enid Blyton's best-selling children's classic. A modern family relocates to the countryside where the children discover a magical tree with eccentric residents. They're transported to fantastical lands, rekindling their family bond through adventures.

GOAT (PG) 100 Mins *Adventure*

The story follows Will, a small goat with big dreams who gets a once-in-a-lifetime shot to join the pros and play roarball - a high-intensity, co-ed, full-contact sport dominated by the fastest, fiercest animals in the world.

PROJECT HAIL MARY (M) 160 Mins *Action*

Science teacher Ryland Grace (Ryan Gosling) wakes up on a spaceship light years from home with no recollection of who he is or how he got there. As his memory returns, he begins to uncover his mission: solve the riddle of the mysterious substance causing the sun to die out. He must call on his scientific knowledge and unorthodox ideas to save everything on Earth from extinction... but an unexpected friendship means he may not have to do it alone.
